Outstanding Service Award

to

EDWARD FRANCIS GLASS

B.Sc. (Elec.), P. Eng.

Edward Francis Glass was registered with this Association on October 19, 1959.

Ted Glass was a member of Council from 1974-78, and was President in 1977. He served on the Employee Engineers Committee for one year, the Ad Hoc Committee on Compensation Study for two years, the Nominating Committee for four years, the Executive Finance Committee for three years, the Awards Committee for four years, the Committee to Review the Code of Ethics for three years, the Ad Hoc Centennial Committee for one year, the Professional Development Committee for two years and the Public Relations Committee for one year.

Ted has brought wise counsel and good humour to all his endeavours. His efforts and enthusiasm for "converting the masses" towards recognizing the important role that engineers play in our community have been a credit to both him and the profession. In recognition of his 26 committee years of valuable and conscientious service to the Association, the Outstanding Service Award is conferred on Ted Glass.
