Outstanding Service Award

to

CATHERINE LOUISE STEWART

B.Sc. (Chem. Engrg.), P.Eng.

Cathy Stewart was registered with the APEGM on January 11, 1988, and has been a member continuously for 11 years. She is the Supervising Metallurgist in the Refinery at Inco Limited, Thompson.

Cathy was a member of Council from 1992 to 1997, and was President in 1996. She has served on the Executive & Finance Committee for three years, the Experience Review Board for three years, the Safety Committee for one year, the Nominating Committee for three years, the Salary Research Committee for one year, the Awards Committee for two years, the CCME Task Group on the Environment for one year, the Law Reform Sub-Committee for two years, the Research & Development Committee for one year, the Organizational Restructuring Action Plan (ORAP) Committee for four years, the Technologists - Ad Hoc Committee for eight years, the Long Range Planning Committee for two years, the Continuing Competence Committee for two years, as well as being on the Executive of the Thompson Chapter from 1989 to 1997. In total, Cathy has provided 48 committee years of service to the Association. This is an exceptional record for someone who has only been a member for 11 years.

Cathy's ability to give a generous portion of her time to the Association is characterized by her organizational skills, her boundless energy and most of all by her dedication to the engineering profession. Her contributions to the Association are gratefully acknowledged.

The Association is deeply indebted to Cathy for the wide variety of services rendered by her in so many areas of the Association's activities and feels that she is a most deserving recipient of the Outstanding Service Award.

October 30, 1999
