

Reliance Products Ltd., a subsidiary of **The Bodtke Group of Companies**, and one of Canada's Best Managed companies, is a leading manufacturer of both consumer hydration/sanitation products and industrial plastic packaging. We have customers throughout North America in both retail and industrial environments. Located in Winnipeg for over 50 years **Reliance** is an ISO 9001:2008 certified company.

We currently have an opportunity for an individual to join our team in the full time position of **Product Developer**.

This fun and engaging role will provide you with experience in many facets of our organization. Working directly with all departments this role will be responsible for assisting with the design, analysis and testing of new Reliance Products and the redevelopment of current offerings. This included but not limited to:

- Preparing engineering drawings, schematics and/or prototypes
- Analyse current products offerings to determine ways to improve quality, increase functionality, maintain aesthetic appeal and reduce cost of production
- Develop solutions to product weaknesses
- Review drawings and test prototypes
- Assist the Engineering department team with keeping development on schedule
- Research components, parts suppliers and materials for suitability, durability and cost-effectiveness
- Prepare detailed product development reports at each stage of development
- Assist with the development of detailed product manufacturing instructions, schematics drawings and training material
- Oversee testing and analysis of materials
- Other duties as assigned

We are looking for:

- Engineering degree or diploma in Mechanical Engineering
- 1 – 5 years' experience of relevant engineering experience
- Experience of participation in product development from inception to manufacturing launch
- Working knowledge of Solidworks program and assets
- Excellent planning and organizational skills
- Effective verbal and written communication skills
- Strong report writing
- Strong work ethic
- Ability to work in a fast-paced environment
- Self-starter
- Must be able to work with little supervision

In return, we'll be happy to provide:

- A positive, working environment
- A competitive compensation package
- A superior benefits package
- Opportunity for career growth

If this opportunity appeals to you, please send your resume and cover letter (detailing your salary expectations and listing the position title in the subject line) to the attention of Human Resources at mbourrie@bodtkergroup.com by March 31, 2017. While we appreciate all interest in this position, only those invited for an interview will be contacted. No phone calls please.
