

WINNIPEG
AIRPORTS AUTHORITY

Electrical Engineer

The Organization

The Winnipeg Airports Authority (WAA) is a community-based, non-share capital corporation that operates, manages, maintains, and invests in the Winnipeg James Armstrong Richardson International Airport and affiliate businesses. Operating on a multi-site property, the WAA is responsible for airport operations, security, facilities, parking, ground transportation, and communications.

With an ever-expanding airport campus, WAA is a critical player in the development of one of Canada's strategic transportation hubs. As a perennial "Top Manitoba Employer", the WAA prides itself as an organization that attracts engaged employees with the right skills, in the right place, and at the right time. <http://www.waa.ca>

The Opportunity

Winnipeg Airports Authority has an opportunity for an **Electrical Engineer** within our Planning and Infrastructure Department.
