

Job Title: Municipal Design/Field Engineer

Employer Name: The City of Kenora

Location: Kenora, ON

Job Description:

Nestled on the north shore of the Lake of the Woods, Kenora combines vibrant city life with a rich cultural history in a setting of abundant natural beauty. With a year-round population of 15,000 that swells to over 30,000 during the summer months, the City of Kenora is the district hub for over 50,000 people. Known as North America's Premier Boating Destination, the Lake of the Woods and its 14,522 islands offer year-round enjoyment for avid fishermen, boating enthusiasts, snowmobilers, skaters and cross-country skiers alike.

The City of Kenora is now seeking an experienced Municipal Design/Field Engineer to join its team and play a key role in the building of an increasingly sustainable community, with an enhanced quality of life, consistent with the vision and core strategies of the City's Strategic Plan. Reporting to the Municipal Engineer, the Design/Field Engineer will execute activities associated with design, tendering, construction, supervision and administration of capital and operations and infrastructure projects.

The successful candidate will have a Bachelor's Degree in Civil Engineering and be registered as a Professional Engineer in the Province of Ontario. A minimum of 5 years' experience as an engineer in a municipal environment as well as two years of supervisory experience are essential. The ideal candidate will also have thorough knowledge of civil engineering principles, practices and methods, in particular as they apply to sanitary sewers, water mains, storm sewers and other related municipal infrastructure within a municipal setting. Candidates should also have technological proficiency in Total Station and GPS Surveying, as well as Microsoft Office, AutoCAD, Civil 3D and ESRI GIS Software. A valid Class "G" driver's license and knowledge of the OHSA are also essential.

To apply for this position, please apply online at <http://sullivansearch.com/search-careers/> or submit your résumé and cover letter in confidence to Lynda Schroeder or Sheila Leach:
