

Position available for Draftsperson/Project Manager

Cobalt Industries Ltd

38129 Hwy 1 W

Portage la Prairie, MB R1N 4A8

Cobalt Industries Ltd. is an industrial metal fabrication/mechanical shop located in Portage La Prairie Manitoba Canada. We specialize in industrial metal fabrication and have several Welding\Millwright\Mechanical crews that travel onsite around Manitoba and surrounding provinces. We don't believe in doing things the way they have always been done, we plow our own path and lead the way by embracing the technology of tomorrow, to help get the job done efficiently, and effectively today. Innovation forms the backbone of our company but it's the people that drive our success. Around here you can't be afraid to get your hands dirty if it means getting the job done right. We take pride in everything we do, utilizing cutting edge technology and putting the development of our people first. Which means if you think you have what it takes, possess the drive to do things differently, want to be a part of an award-winning team and you're not afraid of a hard days' work, we might just have a spot for you!
