

Career Opportunity

Position Title Intermediate Electrical Engineer

Status Full-time, permanent

Location Prince George, BC

Overview

McElhanney Consulting Services Ltd. seeks an **Intermediate Electrical Engineer** for our Prince George, BC office. As the successful candidate, you will be responsible for delivery of both capital and maintenance projects that achieve cost and production goals while maintaining world class quality, safety and environmental performance.

Responsibilities

- Manage projects on behalf of, and as part of, the client project team
- Provide engineering input to a variety of electrical commercial, industrial, and infrastructure design assignments
- Perform feasibility studies as part of business case development for proposed capital projects
- Hire, supervise and coordinate other consultants, contractors and vendors on contract work and projects
- Understand, commit to, and fulfill responsibilities under the McElhanney Quality Management System, ISO 9001 and all client quality, safety, and environmental management systems
- Provide mentorship and leadership to junior staff

Requirements

- Ability to develop and maintain long term client relationships
- Registration (or eligible for registration) as a Professional Engineer in Canada
- 5 years minimum experience in electrical engineering
- Excellent communication skills, both written and oral

If this is the opportunity for you, visit www.mcelhanney.com/careers to apply online. We thank all applicants for their interest; however, only shortlisted candidates will be contacted.

Established in 1910, McElhanney is a Canadian employee-owned company offering top-quality engineering, surveying, mapping, planning, landscape architecture, and environmental services. At McElhanney, you are working within a strong team that is well-established in the local industry. Our employees value working here because of our varied projects, high levels of autonomy, opportunities for career development, excellent total compensation and benefits package, and great team of professionals.

Known as BC's northern capital, Prince George is a leader in business, healthcare, education, shopping and culture. Residents of Prince George enjoy lower costs of living which allow residents to enjoy a higher discretionary income. Recreation opportunities are second to none and range from golfing, skiing, fishing and hiking to any team sport you can think of. With over 300 days of sunny weather every year, you won't find a better place for outdoor adventures!

McElhanney is proud to be an **Employment Equity** employer.
