

## Our ideal candidates will possess:

- A **two-year Diploma in Civil Engineering Technology** or related field from a recognized post-secondary educational institution
- **Registration or eligible for registration as a AScT with ASTTBC** or membership with other self-regulated professional associations
- **For the Engineering Technologist III position – a minimum of 5 years** of progressive experience in the review and analysis, or design and construction of municipal works and services  
**OR**  
**For the Engineering Technologist II position – a minimum of 3 years** of progressive experience in the review and analysis, or design and construction of municipal works and services
- Thorough knowledge of current relevant civil engineering principles and practices
- Sound knowledge of municipal and provincial regulations, standards, and practices in regards to land development and an understanding of the impact of development on municipal infrastructure.

In addition to excellent analytical, **problem-solving, and communications skills**, you have the ability to exercise sound decision-making while multitasking and working under tight timelines to respond to rapid changes in direction and priorities.

**In either of these pivotal roles**, you will need to be able to establish and maintain effective working relationships, **represent the City's interests in a professional manner** and be willing to contribute to maintaining a respectful, safe and supportive work environment.

**For a detailed job description on these CUPE bargaining unit positions, please visit the "Employment Opportunities" section on our [website!](#)**

## The Rewards

We offer a **competitive pay** and benefits package that supports the financial security, health and well-being of our employees and their families.

In exchange for your hard work and commitment, you will be rewarded with a competitive wage of **\$39.35 per hour** for the Engineering Technologist III role or **\$35.12 per hour** for the Engineering Technologist II role, based on a 40 hour work week plus:

- An opportunity to work with great people in a supportive, team environment
- Professional development and training opportunities
- Relocation assistance
- Extended health and dental benefits, and group life insurance
- Pension plan
- Employee assistance program for employees and family members
- 2 weeks paid vacation after the first year, and 3 weeks after the second year
- Social events – annual events and casual social get-togethers
- Long term employment opportunity

*If you are looking for a dynamic working environment where you will be provided opportunities to continue to grow and learn new skills, then this is the right opportunity for you!*

- **To apply for either these roles, please submit your resume and covering letter, quoting Competition EXT-19-49 by email to: [careers@campbellriver.ca](mailto:careers@campbellriver.ca)**
