

Application for Dues Relief

DUES RELIEF BY-LAW 10.2

A member, intern, or specified scope of practice licensee who is:

- A) unemployed;
- B) not working due to illness, disability, or parental leave;
- C) attending a full time post-graduate university program relevant to the practice of professional engineering or professional geoscience; or,
- D) experiencing other circumstances which, in the opinion of council, merit dues relief;

may apply to have his or her annual dues reduced on terms and conditions established by the council.

Find the Policy on Dues Relief here: <https://www.EngGeoMB.ca/PDF/Council/Policy/DuesReliefPolicy.pdf>

Applications shall be submitted to the registrar and relief, if granted, shall apply to the dues payable for the then current year only. Please note that if dues relief is granted, it will result to a 50% reduction of the regular dues. Dues relief applications require 14 days to be processed.

If you submit the application for dues relief before you renew, then you will be able to renew for the reduced amount. If you submit the form after you renew, then a cheque or credit will be issued. Practising members and specified scope of practice licensees who are approved for dues relief shall continue to fulfill the requirements of 11.2 (Continuing Professional Development Program).
