

# Flowchart

## Student Member

ASSOCIATION OF PROFESSIONAL  
ENGINEERS & GEOSCIENTISTS  
OF MANITOBA

*My Life's Work  
Makes Life Work Better*

**IMPORTANT**

Step 2 is for Canadian Geoscience graduates only.

**Start Here**

### Step 1: Student Member

- Submit the application
- Renew your membership annually so you can enjoy the benefits, including:
  - Write the ABC Test before becoming an MIT
  - Claim up to 12 months of pre-graduation work experience to help meet your Member-in-Training (MIT) program requirements
  - Become eligible for certain scholarships/awards

### Graduate from University

Canadian Geoscience

### Step 2: Academic Assessment

- Submit the Academic Assessment Application
  - Submit your required documents
  - Pay the assessment fee
- Receive your assessment results
- Complete your assigned exams
- Receive your Letter of Invitation from APEGM

You will receive a letter of invitation from APEGM.

Begin Step 4  
while you wait  
for your ABC  
Test results

### Step 3: Act, Bylaws, Code of Ethics (ABC) Test

- Schedule the ABC Test
- Pass the ABC Test

APEGM can now process your MIT application.

APEGM will  
prompt you to  
begin Steps 5  
& 6 as you near  
completion of  
the MIT program

### Step 4: Member-in-Training

- Submit the MIT application
  - Submit your required documents
  - Pay the MIT application fee
  - Pay the annual MIT dues
- Submit ongoing reports for:
  - 4 years of current work experience
  - Up to 48 hours of volunteer service
  - Up to 48 hours of professional development

### Step 5: Professional Practice Exam

- Submit the exam application
  - Pay the exam fee
- Pass the exam

### Step 6: Professional Member

- On request, provide APEGM with three references
- On request, pay registration fee
- Your file will be forwarded to the Registration Committee for approval

Congratulations! You are now a Professional Member of APEGM.
