a. Current Employer/ Company Name:

b. Job Title:

c. Work Email address:

4) Professional Status

Answer yes if you applied recently or in the past, even if you withdrew.

a. Have you ever applied to Engineers Geoscientists Manitoba?

Yes No

If yes, what year did you apply? _____.

What is your file/reference #: _____.

b. Have you ever applied to any other Engineering or Geoscience association in Canada?

Yes No

If yes, please name all associations and indicate the file/reference #:

5) Discipline

a. Please check one:

- Internationally Educated Engineering Graduate
- Internationally Educated Geoscience Graduate

b. An academic discipline or field of study is a branch of knowledge that is taught and researched as part of higher education.

Indicate the discipline that you wish to be examined in (normally this would be the discipline of your undergraduate degree). If your discipline is not listed below, please choose one that closely matches. To review the syllabi's available visit <http://www.engineerscanada.ca/examination-syllabus>

If your discipline is not an exact match with the options below, choose up to two that match closest.

Engineering Discipline:

<input type="checkbox"/> Agricultural / Biosystems / Bioresource / Food Engineering <input type="checkbox"/> Biomedical/Biochemical Engineering <input type="checkbox"/> Building Engineering <input type="checkbox"/> Chemical Engineering <input type="checkbox"/> Civil Engineering <input type="checkbox"/> Computer Engineering <input type="checkbox"/> Electrical Engineering <input type="checkbox"/> Engineering Physics <input type="checkbox"/> Environmental Engineering	<input type="checkbox"/> Forest Engineering <input type="checkbox"/> Geological Engineering <input type="checkbox"/> Geomatics Engineering <input type="checkbox"/> Industrial Engineering <input type="checkbox"/> Marine Engineering <input type="checkbox"/> Mechanical Engineering <input type="checkbox"/> Mechatronics Engineering <input type="checkbox"/> Metallurgical Engineering <input type="checkbox"/> Mining and Mineral Processing Engineering <input type="checkbox"/> Naval Architectural Engineering	<input type="checkbox"/> Petroleum Engineering <input type="checkbox"/> Software Engineering <input type="checkbox"/> Structural Engineering <input type="checkbox"/> Other <hr/>

7) Declaration of Consent

I authorize APEGM to retain all information contained herein and any appended documents including transcripts, work history, proof of degrees, syllabi, translations of same, and any and all information for the purposes of assessing my academic qualifications. I also authorize APEGM to make any enquiries of any institutions to which I may have applied, in order to assess my academic or other qualifications as related to my professional registration.

I understand that this information will be kept on file in accordance with APEGM's retention policy. After completion of the assessment of my academic qualifications, or after I complete the academic assessment program or withdraw from the program, I wish to have the following actions completed:

I declare that all of the information provided is authentic and correct to the best of my knowledge and belief. I understand that a false statement or failure to provide the information requested may, at any time, disqualify me from the assessment program. I authorize APEGM to obtain such additional information as it may deem appropriate, from such additional sources as it may deem appropriate, for the processing of my application.

I understand that it is my responsibility to update my contact information with APEGM as required. If I fail to do so, APEGM will not be held responsible for any consequences related to inaccurate contact information including missed mailings, failure to receive renewal forms or routing of personal information to other persons not authorized to view such information.

I understand that if I request my personal information to be given to me over the phone or by email, APEGM is required to make reasonable efforts to confirm my identity. In order to do this, APEGM will ask one or more authentication questions.

a. I authorize Engineers Geoscientists Manitoba to release details of my file to my employer(s) or potential employer(s).

Yes No

b. I authorize Engineers Geoscientists Manitoba to release details of my file to the University of Manitoba.

Yes No

8) Checklist of Documents Required

NOTE

- Check the box below that applies to you.
- Attach each document as a separate PDF and clearly name the PDF.

Example: PDF of Academic Assessment Application
PDF of B.Sc. degree
PDF of Resume
PDF of Photo Identification; etc.

a. Language Requirements

All documents listed below must be provided in English. If your documents are not in English, you must provide notarized English translations. See Language Requirements at apegm.mb.ca

Note: Notarization of documents and English translation services are available through the Immigrant Centre visit <http://icmanitoba.com/>

- YES**, I have attached a PDF of my notarized English translation(s).
- No**, I have not attached a PDF of notarized English translations because my documents are in English.

b. World Education Services (WES) ICAP document-by-document credential evaluation (** see exceptions below)

To submit an application for WES ICAP document-by-document report visit www.wes.org/students/icap.asp . You must choose Engineers Geoscientists Manitoba as a recipient of the report and then WES will provide Engineers Geoscientists Manitoba with secure electronic access to your credential evaluation and provide copies of the verified academic documents that were assessed.

If you already have an Educational Credential Assessment (ECA) report completed by WES for immigration purposes, then you must upgrade to the standard document-by-document report. You must also request a duplicate report and select Engineers Geoscientists Manitoba as a recipient of that report. You can do this by signing into your WES account.

Engineers Geoscientists Manitoba will not accept credential assessments done by other agencies.

The WES credential evaluation **does not replace** the requirement for an Engineers Geoscientists Manitoba Academic Assessment. The primary reason for the WES assessment is to verify and authenticate your academic documents. WES only assesses the general level of your academic qualification as compared to Canadian education levels. Engineers Geoscientists Manitoba must still assess the engineering content of your academic program,

compared to the Canadian Engineering Qualification Board (CEQB) standard.

****Exceptions to WES ICAP document-by-document credential evaluation**

You do not need to obtain a WES ICAP document-by-document credential evaluation if you have completed a post-graduate (Masters or Ph.D.) in engineering from a Canadian university and that university received your bachelor transcript directly from the institution that issued the degree. In this case, you may ask the Canadian university to send us copies of the bachelor transcript DIRECTLY to the Engineers Geoscientists Manitoba office, accompanied by a letter stating that they received the documents directly from the issuing institution. The Canadian university must also include an official copy of your post-graduate (Masters or Ph.D.) transcript. If for any reason you can't get both the letter and copies of the bachelors transcript sent over from the Canadian university then you MUST have the WES ICAP document-by-document credential evaluation.

YES, I have contacted World Education Services (WES) and I have submitted an application with them for an ICAP document-by-document credential evaluation.
Date ordered: _____ WES REF# _____

NO, **I have not contacted World Education Services (WES) because instead I have contacted the Canadian university in which I received my post-graduate degree from and I have made arrangements with them.
Date ordered: _____

c. Photo Identification

Attach a PDF of your current passport or driver's license.

YES, I have attached a PDF of my current passport, or driver's license.

d. Degree, Diploma, or Certificate

For each degree/diploma or certificate listed in 'Section 6- Education' of this form attach a PDF of it.

YES, I have attached a PDF of each Degree, Diploma, or Certificate that is mentioned in 'Section 6 -Education'.

e. Syllabi

You may submit an application without a syllabus (course description); however, Engineers Geoscientists Manitoba may request it at a later date.

A syllabus (course description) is a brief paragraph that clearly describes each course taken for your engineering or geoscience degree. Please map the course numbers and titles in your

transcript with the course numbers and titles found in the syllabus-and provide a list indicating the page number in the syllabus where each course description can be found.

- YES**, I have attached a PDF of my syllabus.
- NO**, I have not attached my syllabus. If the syllabus is required, I will submit it at a later date.

f. English Language Test Results

Engineers Geoscientists Manitoba requires applicants to be fluent in English for registration. If English is not your first language or you did not receive your undergraduate or graduate degree in English, an English language proficiency test may be required. Your application can proceed without a test, however if Engineers Geoscientists Manitoba has any concerns about your English language proficiency by way of direct communication or concerns raised by employers or references, you will need to arrange testing and provide a copy of the results. Tests such as the Canadian Level Benchmark (CLB) test or the International English Language Testing System (IELTS) are acceptable. See Language Requirements at apegm.mb.ca

- YES**, I have attached a PDF of my CLB or IELTS.
- NO**, I have not attached a CLB or IELTS because my first language is English.
- NO**, I have not attached a CLB or IELTS because I received my undergraduate or graduate degree in English.
- NO**, I have not attached a CLB or IELTS because I have not obtained one.

Please note that to enroll in courses at the University of Manitoba or for entrance into the IEEQ program, English language proficiency is a requirement and second language applicants may need to supply English language proficiency test scores. Visit <http://umanitoba.ca/student/admissions/international/english/index.html> to view specific English Proficiency Requirements for the University of Manitoba.

g. Detailed Chronological Resume

Attach a PDF of a detailed chronological resume.

- YES**, I have attached a PDF of my resume.

h. Engineering or Geoscience Report

An Engineering or Geoscience report (sometimes referred to as thesis or project report) is not normally required at the time of application but Engineers Geoscientists Manitoba may ask you to submit it at a later date.

i. Other related information

If you are licensed in another province or country please attach a PDF of your proof of license.

- YES**, I am licensed in another province or country so I have attached proof of license.
- NO**, I am not licensed in another province or country.

Proof that you have passed the NCEES Fundamentals of Engineering and/or the NCEES Professional Engineering Exam (USA).

- YES**, I have passed the NCEES Fundamentals of Engineering and/or the NCEES Professional Engineering Exam (USA) and I have attached a PDF copy of the proof that I have passed this exam.
- NO**, I have not passed the NCEES Fundamentals of Engineering and/or the NCEES Professional Engineering Exam (USA).

9) Application Fee

After you have submitted your application and required documents, it will be reviewed to insure it's complete. If your application is complete you will receive an email instructing you to login to the Engineers Geoscientists Manitoba member section of the website to pay the \$440 Academic Assessment Fee.

10) Delivery

Please PDF this application and the documents as indicated in "section 8-Checklist of Document Required" to the Assessment Officer at cshymko@EngGeoMB.ca
