Date that you entered the non-practising category: _____

(Please contact the Association office to obtain the date if you are uncertain.)

Absence Less Than Two Years

If it has been less than two years since you entered the non-practising category, please complete the application form and declarations and submit to the Association's accounting department who will process your request. Please note that you must update your ProDev report at your online profile by the end of the calendar year.

Please ensure you complete the declarations at the end of this form.

Absence Greater Than Two Years and Less Than Eight Years

1. Update your ProDev report at your online profile. *(If you report your continuing professional development to another provincial engineering association with a mandatory program, you can submit a declaration of compliance with another association's cpd program.)*
2. Include a copy of your CV, indicating your work experience for the recent past, providing the following details for each period or position held:
 - Month and year
 - Position title
 - Employer name and address
 - Confirmation by someone who can verify the position (preferably a P.Eng. or P.Geo. for any engineering or geoscience position)
3. Include letters of reference from 3 character references
4. Include PDF copies of any academic degrees obtained since initial registration

Please ensure you complete the declarations at the end of this form.
