

## CALL FOR VOLUNTEERS

Want to get more involved with the Association? Want to give back to your profession? The Association is looking for volunteers to join the Engineering and Technology (CTTAM) Joint Board.

### **ENGINEERING AND TECHNOLOGY (CTTAM) JOINT BOARD**

The Engineering and Technology (CTTAM) Joint Board's function is to maintain a good professional relationship between the Certified Technicians and Technologists Association of Manitoba (CTTAM) and Engineers Geoscientists Manitoba, including:

- (a) developing and recommending processes for co-operation by the two associations in carrying out their respective areas of responsibility in the public interest;
- (b) making joint representations to third parties on matters affecting the two associations;
- (c) resolution of issues or disputes respecting areas of practice.

#### General Duties/Responsibilities

- Attend board meetings when called
- Identify any possible issues for discussion
- Provide vision and guidance for engineering and technology going forward
- Develop and recommend processes for cooperation

#### Specific Skills and Qualifications

- Be a practicing member or licensee in good standing
- Previous Board experience
- Have reflective and insightful thinking, diplomacy, and clear communication skills

#### Time Commitment:

The Board has historically met twice a year, with the meetings being held over the lunch hour. The frequency of meetings may change once this board has been reconstituted after a multi-year hiatus. The appointment to this Board is for a two-year term.

#### How to Apply:

If you are interested in being a part of the Engineering and Technology (CTTAM) Joint Board, please email your interest to Diana Vander Aa at [Volunteer@EngGeoMB.ca](mailto:Volunteer@EngGeoMB.ca).
