

CALL FOR VOLUNTEERS

Are you interested in Volunteering? If so, Engineer Geoscientists Manitoba is looking for volunteers to assist with the Association's activities at this year's Kidsfest.

Association's Activities at Kidsfest

Kidsfest, put on by The Winnipeg International Children's Festival, showcases world class art performances and activities that are educational, entertaining and accessible to all social and economic backgrounds in Winnipeg. The Association's goal is to promote engineering and geoscience to students, teachers and parents. The Association is looking for volunteers to assist in supervising a booth and assisting with children's activities during the day on Friday June 9th.

General Duties and Responsibilities:

- Promote the professions of engineering and geoscience to children, parents, teachers etc.
- Help children participate in multiple activities: gumdrop towers, straw bridges, balsa wood airplanes and rock dig.
- Hand out goodies to children.

Specific Skills and Qualifications

- Very good English skills (both comprehension and verbal)
- Looking for both female and male members, in both engineering and geoscience
- Enjoy working with children
- Work well with others
- Ability to have fun

Time Commitment

Volunteers must be available on Friday June 9th from 9:00 a.m. to 12:00 p.m. or from 12:00 p.m. to 3:15 p.m. Complimentary parking passes are available, but are limited and are on a first come first serve basis. Volunteers will not be reimbursed for other parking.

How to Apply:

If you are interested in volunteering for this fun event or want more information please contact Diana Vander Aa, Volunteer Coordinator at volunteer@enggeomb.ca.
